

HipSavers; are an all-in-one soft brief, worn as underwear to protect your hips.

HipSavers are available in a selection of sizes and styles, depending on the needs of the user . Sizes range from extra-small to extra extra large and are measured around the hip. Hipsavers provide protection for those that are prone to falling or are unsteady on their feet. All HipSaver garments are fully machine washable and tumble dry suitable in both home and institutional laundries. The pants are made from a breathable poly cotton fabric, whilst the pads are made from a foam based air pad that absorbs the impact of a fall. Hipsavers are sold as starter kits which include 3 pairs of pants and 1 pair of pad, but single items are available, refer to order form for measurements.

Hipsaver Nursing Home Style
Price: \$159.50 Starter Kit

Nursing Home is the most commonly used style, It allows for easy mobility and comfort, whilst still providing protection .

Hipsaver Slim Fit Style
Price: \$159.50 Starter Kit

SlimFit pulls on like regular underwear. It's lightweight and flexible enough for active elders, comfortable enough for everyday wear.

Hipsaver Quick Change Style
Price: \$159.50 Starter Kit

Quick Change gives you all of the features and benefits of the Nursing Home style but with the convenience of a snap down crotch panel.

This allows incontinence pads and pull ups to be changed easily and quickly and without having to pull the brief down.

Hipsaver Open Bottom Style
Price: \$159.50 Starter Kit

Open Bottom has been designed to makes toileting even easier. and yet still providing the same level of protection as the rest of the hip saver range.

The Open Bottom feature makes it easier for nursing staff to change incontinence products.

Hipsaver High Compliance
Price: \$89.50

Are sold as a Single brief, available in all the mentioned styles. What makes this different is that the pads are Sewn-into the garment which means they can't get lost during laundering or be removed by resident.
